

Dear Parents,

Welcome to the 2019 camp season! We are excited to offer this overview of what the summer will have in store for our campers. Tamarack Country Club features two extensive camp programs: our Day Camp services children who turn 4 by December 1, 2019, through those entering 3rd grade in 2019, while our Sports Camp begins with 4<sup>th</sup> grade and extends through campers entering 7<sup>th</sup> grade in 2019.

Both of the camps offer full lunch service and plenty of interaction with our club professionals. While the focus of our Sports Camp lies primarily in golf, tennis, and swimming, the Day Camp includes a wide array of age-specific activities ranging from golf, tennis, Martial Arts, and swimming, to educational programs, arts and crafts, and weekly entertainment.

This year's camp will be open to members children, grandchildren and sponsored non members. If your child has a friend who is interested in attending and not a member of the club, please contact Brian for additional information.

We hope you are as excited as we are as we begin our sixteenth summer at Tamarack, and we look forward to having you as a part of our camp family!

## TAMARACK'S PROFESSIONALS

### RYAN KALISTA

Ryan Kalista has been a PGA Assistant Golf Professional at Tamarack since 2014. Ryan is a graduate of the Professional Golf Management Program at Methodist University and was elected to membership of the PGA of America in 2007. He has become an accomplished player both on the local and national level, as well as an expert instructor, club fitter, tournament organizer, and membership coordinator. Voted one of the Top 50 Kids Golf Teachers in the USA, Ryan continues to improve kids golf and ensure a bright future for the game.

### DAVID SLATER

David is in his second year as Tennis Director here at Tamarack Country Club. Originally from St. Albans in England, he spent the last two years as 1ST assistant to the tennis director at Old Oaks Country Club in Purchase, NY. Before entering the country club world David spent three years as the Director of Tennis at the Tennis Club of Hastings. In his first year at TCH David oversaw the re-emergence of the club after Hurricane Sandy, helping grow the adult program and annual membership as well as overseeing the growth of the junior program to over 180 children ranging in ages from 4-17. A little known fact about David is that he was also a fully qualified British tennis official and officiated at Wimbledon for five years from 1999-2003.

# DAY CAMP & SPORTS CAMP

OPEN TO MEMBERS CHILDREN,  
GRANDCHILDREN & SPONSORED NON-MEMBERS

2019  
SEASON

# DAY CAMP

## ARTS AND CRAFTS

Day Campers receive several arts and crafts lessons each week. Past projects have included building and painting racecars, designing and decorating picture frames, painting stained glass pictures, and bringing home their very own, personalized, birdhouse.

Campers have also worked with professionals from Hands on Pottery as they paint their own pieces, which are then fired, glazed, and returned to camp.

## EDUCATIONAL FUN

Our camp program features many different educational experiences each session! Jonathan Kruk, a master storyteller known throughout Westchester County, joins our camp each week to bring creative tales to our campers. Mad Science of Connecticut provides exciting, hands-on science experiments geared toward specific age groups. Martial Arts instructors from Bruce Chung's Tae Kwon Do studio help campers develop their agility, motor skills, and self-confidence.

## SPECIAL ENTERTAINMENT

Our campers participate in weekly entertainment programs ranging from acrobatic performances to magicians, musical performances, and hands-on, interactive shows!

# SPORTS CAMP

Our Sports Camp continues the development started in the latter years of Day Camp, as children take part in an intensive tennis, golf, basketball and swimming program that not only advances campers' skills, but also introduces campers to genuine competition in a safe, friendly environment. Sportsmanship and fair play are an integral part of our program, as our club professionals work hands-on with campers to foster a true love of sports.

## GOLF

Our program is a comprehensive and takes kids through the essentials: developing their own style within the technique, maximizing practice, promoting patience and encouragement, and most importantly fostering fun! Having PGA Professional Ryan Kalista as part of our staff places Tamarack at the forefront of golf for kids. Voted one of the Top 50 Kids Golf Teachers in the USA, Ryan's dedication to each student's progress, along with his award-winning technique and teaching skills, ensures junior golfers are guided by the best.

## TENNIS

Our club professionals work extensively with Sports Campers, providing individualized instruction to take them from casual play to a gradually more advanced program. Campers take part in regular competition within their groups, and also have the opportunity to be selected to play in weekly Interclub matches against other local clubs. Our Director of Tennis, David Slater works to ensure that campers improve by incorporating various games, drills and match play.

## SWIMMING

Advanced swim instruction occurs each day, as campers receive personal attention as they work on a variety of strokes designed to further each child's individual level of ability.

## BASKETBALL

Two one hour clinics that focus on developing basketball fundamentals through drills and competitive games with an emphasis on proper shooting technique, footwork, passing skills and most importantly teamwork.

## SOCCER

Two one hour clinics that will focus on technical skills, foot work and having fun!
